Fee summary

The following course tuition fees are effective for students registering in courses from Sep. 1, 2024 to Aug. 31, 2025.

Course fees are all-inclusive, and are calculated by combining the tuition fee, course administration and technology fee, and Students' Union and Alumni Relations fees. If applicable, the course materials fee and the out-of-country fee or the out-of-province fee, may also be charged.

Academic-related fees are exempt from the federal Goods and Services Tax (G.S.T.).

Other goods are not **G.S.T. exempt**. Fees are listed and payable in Canadian dollars.

The payment of student fees entitles you to receive most learning resources and other support services (including tutorial assistance where provided) for the period of active registration.

Students attending Athabasca University grouped study courses at collaborating institutions may be assessed tuition and fees that vary from those established within this Calendar. Those students should contact an academic advisor or the Office of the Registrar at the collaborating institution.

Students are responsible for any expenses

incurred when writing an examination. Most invigilators request a fee to invigilate examinations. Invigilation centers may also charge a fee if you cancel or reschedule your examination.

Effective dates

The following fee schedule applies to students who are registering in courses that have a September 1, 2023 or later start date, unless otherwise stated.

Returning students

If you are a returning Athabasca University student, please log in to myAU. If you are no longer an active student, you may still log in to myAU and follow the reactivation procedure.

Once you have logged in to myAU, you may register in a course and view personal information, such as your AU Library account, and your assignment marks, and course grades. You may also take care of administrative matters, such as booking examinations, submitting

assignments, and requesting extensions or course withdrawals.

Athabasca University will also communicate directly with you through myAU. Check the Message Centre on your myAU home page for general information and for messages addressed to you.

The following fees are effective for courses starting Sep. 1, 2024. Prior to September, use these fees.

Canadian senior citizens

Canadian senior citizens (65 years of age or over) are offered a reduction in course registration fees. Seniors pay the full Course Administration and Technology Fee and Course Materials Fee portion of a registration but are given a reduction of one-half the tuition fee as reflected below.

Seniors are also given a reduction of one-half of the course extension fees; however, all other course and academic-related fees, including the one-time, non-refundable application fee and any service fees, must be paid in full.

The seniors' reduction does not apply to students living outside Canada or non-Canadian students living temporarily in

ProctorU Fees

ProctorU Charges to Student for Invigilating an Exam

NOTE: ProctorU fees, like all

external invigilator fees, are in addition to any Athabasca University fees (such as Supplemental Exam fees). Even though ProctorU provides the Take it Soon and Take it Now options, you must still follow the [timelines](#)  required by AU to request your exam.

Athabasca University is not responsible for making any payments to ProctorU. Payment of all proctoring fees will be the obligation of the individual student. Any charges applicable to the student must be paid with a credit or debit card. The student will be required to enter payment information into a secure page connected to a third-party card processor. The page is encrypted and ProctorU does not see or store the credit cards data. Students will have to re-enter payment information each time new charges are incurred.

ProctorU determines exam length based on the maximum time allowed for writing an exam, as communicated by Athabasca

University, not the time the student requires to actually complete the exam, which may be less.

Exam Length	Flex Scheduling	Take it Soon
60 Minutes or Less	\$14.70*	Flex Scheduling Fee + \$14.70
61-120 Minutes	\$22.05*	Flex Scheduling Fee + \$22.05
121-180 Minutes	\$28.35*	Flex Scheduling Fee + \$28.35
181 Minutes or More	\$37.80*	Flex Scheduling Fee + \$37.80

*All fees are in US Funds.

**Take it Soon and Take it Now fees are subject to change.

Optional Fees

To write an online exam AU has issued, flex scheduling allows a student to make an invigilation appointment at

least 72 hours before the desired start time. However, at an additional cost, a student may choose the Take it Soon or Take it Now options. Take it Soon allows a test to be scheduled within 72 hours of the chosen start time; Take it Now allows a test to be taken on-demand with no appointment needed. These options are for the convenience of the examinee and are not required.

Challenge for credit fees

The following course tuition fees are effective for students registering with a start date of Sep. 1, 2024 to Aug. 31, 2025. Fees for courses starting before September, use these fees.

The challenge for credit process allows students to demonstrate that they have acquired a command of the general subject matter, knowledge, intellectual and/or other skills that would be found in an undergraduate course for which they are seeking credit.

Challenge for credit fees are non-refundable.

Before you consider registering in a challenge course, it is important that you read the **Challenge for Credit** section.

The following are tuition fees only. Students may purchase the required print course materials, limited to hard copy textbooks and print readings as follows:

1. by contacting AU's Learning Resource Services via email at cmat@athabascau.ca. All materials will be charged at full cost (defined as AU's

full purchase cost, plus shipping, plus a 20 per cent handling fee) or;

2. by accessing the list of materials from the **course syllabus** and sourcing the materials via a book store, online book retailer, or other means.

Note: Students will not be provided access to the online individualized study course site, the student manual, eTextbooks, or course study guide in a Challenge for Credit registration. If an eTextbook is offered for the course, it must be purchased from the publisher or a third-party vendor.

Depending on where you live, allow approximately three weeks or more to receive your course materials package.

Refunds

If you formally withdraw from your individualized study course or your grouped study course, you must follow the regulations in the following sections that apply to you.

Individualized study course refund

Individualized study course tuition

The timing of a course withdrawal will impact eligibility for a refund of tuition.

Prior to the course contract start date: A refund of tuition and the course administration and technology fee, less the course withdrawal processing fee, may be granted if you formally withdraw from an individualized study course

prior to the course contract start date and you are not involved in a disciplinary proceeding involving either academic or non-academic misconduct.

Within the first 30 days of the course contract: A refund of tuition and the course administration and technology fee, less the students' union fees and the course withdrawal processing fee, may be granted if you formally withdraw from an individualized study course from the course contract start date up to 30 days after, providing the course final exam has not been written (or if all coursework has been submitted for marking, if there is no final exam) and you are not involved in a disciplinary proceeding involving either academic or non-academic misconduct.

Exception: Normally, no refunds will be given at any point after registration for nursing practicum courses or health administration practicum courses.

 **See fees**

Individualized study course materials refund

A refund of the **course materials fee** will only be considered if you meet the course refund criteria and the University receives the course materials complete, unmarked, and undamaged within 30 days of your course withdrawal date. You will not receive a refund for course materials received by the University outside this time frame (late return).

Note: All returned course materials become the property of the University and will not be returned to you. Most AU courses include software, and/or software access codes. **If the packaging around the software or the software access code has been opened you will not be eligible for a refund of the course materials fee. Once opened, the software cannot be re-issued and the material should not be**

returned.

Financial assistance

The following course tuition fees are effective for students registering in courses from Sep. 1, 2024 to Aug. 31, 2025.

Financial assistance may be available to part-time and full-time students from their [Provincial financial aid agency](#) . Full- and part-time students may be eligible for loans, grants and bursaries. The amount of loan or bursary varies according to need. For financial aid purposes, full-time status is a minimum of 60 per cent of a full course load over a four month semester. Athabasca University's Financial Aid Advisors should be consulted for clarification regarding full- or part-time status.

The regular course contract dates of 6 and 12 months are reduced to 4 and 8 months for full-time AU students receiving financial aid. The regular 6- and 12-month contract dates apply to full-time students at other institutions who are taking only 1 or 2 courses with AU. All course start dates per semester must be the same. The regulations on course load, course completion requirements and eligibility conditions for the various Provincial

Government Agencies are subject to change.

The regulations for funding require that academic progress be monitored. Students with student loans must also consider the minimum course requirements of their loan programs. Typically, this requires a minimum of three, 3-credit courses per 4-month funding period in order to maintain your full-time loan status.

How to apply

Contact your local provincial financial aid agency to obtain information on the application process. Before the financial aid application is completed, you must contact AU and a Financial Aid Advisor will provide you with important information and assistance with the process. This includes the completion of the Loan Study Plan.

You must apply for funding at least four months before your anticipated course start date. Requested dates for funding periods cannot be changed without reassessment of the loan certificate by the

particular student financial aid agency.

Receipts and T2202

When a student registers in a course, they are issued a confirmation letter that indicates, among other details, the student fees paid. See the following section for more information.

Students may be eligible for the Tuition, Education, and Textbook Amounts Certificate tax credit for each month of part-time or full-time registration. The section below gives information on retrieving your T2202 form, if eligible.

Receipts

When you register in a course, you are issued a confirmation letter that indicates, among other details, the student fees paid. Receipts for payment of fees are not issued unless requested.

If you require a receipt for reimbursement purposes by an employer, or for fees other than those listed in the

confirmation letter, you must submit a separate request when you register or contact **Accounts Receivable**. In February each year, receipts for income tax credit purposes are issued.

Form T2202 (Tuition and Education Tax Credit)

In Canada, you may be able to reduce income tax payable by claiming tax credits for enrolment in and payment of tuition and academic fees for Athabasca University's credit courses. At the end of February, the official Tuition, Education, and Textbook Amounts Certificate (form T2202) will be available to all eligible students in printable format on Athabasca University's website at **myAU**  portal.

To be eligible for the tax credit, the total of such fees paid to an educational institution in Canada for the year must exceed \$100. Fees paid to the Students' Union and Alumni Relations are not eligible for

inclusion in the tuition tax credit.

The calendar year for which the fees are paid, not the date on which the fees are paid, is used to calculate eligible tuition fees. Tuition fees paid for courses that extend beyond the calendar year-end will be pro-rated on the T2202 according to the period of course delivery pertaining to each calendar year. For example, if a course has an October 1 start date and a March 31 contract end date, only 50 per cent of the tuition fee representing the October through December period will be reflected in the current year tax credit certificate. The remaining 50 per cent, representing January through March, will be reflected on the following year's T2202.

You may be eligible for the Tuition, Education, and Textbook Amounts Certificate tax credit for each month of part-time or full-time registration. For income tax purposes, a full-time student is defined as a person actively registered in a minimum of two credits per month.

Only the initial contract period is taken into consideration in the calculation of student status as reported on your Tuition, Education, and Textbook Amounts Certificate (Form T2202). Extensions are not considered in this calculation.

The Tuition, Education, and Textbook Amounts Certificate reflects the number of months of enrolment that are eligible to be considered as part time or full time. Further details concerning the Tuition, Education, and Textbook Amounts Certificate may be found in **Canada Customs and Revenue Agency's** [🔗](#) (CCRA) Personal Income Tax Guide or by contacting a CCRA district taxation office.

Information effective Sep. 1, 2024 to Aug. 31, 2025.
