Indian Horse sheds light on the Indigenous Residential Schools and the indomitable spirit of Indigenous people. Saul is denied his Indigenous heritage while he witnesses horrendous abuse at the hands of the very people entrusted with his care. Despite this, Saul finds salvation in the unlikeliest of places and favorite winter pastime -- hockey. His talent leads him away from the misery of the school, eventually leading him to the Pros. Forced to confront his painful past, Saul draws on the spirit of his ancestors and the understanding of his friends to begin the process of healing.
